

Newsletter No. 15, 2 December 2016

Dear Parents and Caregivers,

It's hard to believe we are now into December with only one week before our extended Christmas break. The Kennedy School camping season is complete with Year 4, 5 and 6 all having had an enjoyable, stimulating and educational experience on each of their camps. To be with friends and learn together in a camp environment is a vital part of our school curriculum. The children learn the vital skills of collaboration, team work and to be more empathetic, tolerant and understanding of each other.

Sporting Achievements

Both our football and netball teams have had a very successful year with all teams playing at a very high level. The football teams did exceptionally well this week winning the B and C competitions in the DBIS tournament and narrowly missing out in the A division. Our netball team will be finishing the tournament season this Saturday morning at AISHK after what has been the best Kennedy netball season in many years. Can I take this opportunity to thank all of our teachers who volunteer their time after school and on weekends to coach our teams.

Christmas Choir

The Kennedy School choir commenced their Christmas 'tour' last night at Tai Koo Shing where we had the privilege of opening the Swire Christmas Fair. Below is the list of the other locations where you can catch our singers. A huge thanks to Mrs GG and Ms Allenby for their weeks of after school choir sessions.

Sat 3 Dec 2016	15:00 – 16:00	Christmas Carols (Senior Choir) - Elements
Mon 5 Dec 2016	18:30 – 19:30	PTA Choir/Carols evening Kennedy School Lower Playground
Sat 10 Dec 2016	14:30 – 15:30	Christmas Carols (Senior Choir) – IFC (near the Cinema),

PTA Carols Concert

Next Monday 5th December we will have our annual outdoor PTA Christmas Carols concert. Please come and join us and listen to our fabulous choirs and join in the singing and a glass of mulled wine. It's a great family night and remember there is a prize for the best family Christmas outfits!

Enjoy the weekend.

John Brewster
Principal

Year 4 Exhibition

Year 4 had their mini exhibition on Wednesday which showed a culmination of their learning about natural disasters. During the course of the unit the students inquired into the changing nature of the earth and the impact it has on people's lives and had the opportunity to work in expert groups to explore their chosen natural phenomenon. Students carried out research and worked collaboratively to produce their exhibition boards which included an explanation text, poetry, models, an experiment, quizzes and photographs or clips.

It was evident how much the students had enjoyed this unit from the buzz of excitement in every classroom! The exhibition was brilliant. It

was lovely to see the children so animated and excited to share their learning with adults and children from different year groups. The displays were informative and it was clear the amount of thought they had put into their models, quizzes and word searches! Thank you to all those parents who were able to come along. I hope you all were as impressed as I was by the group displays. Everyone did an amazing job pulling this together in such a short time after Year 4 camp! Well done and thank you to all the students, Year 4 teachers and EAs for a successful exhibition! Please click [here](#) to see more photos on Facebook!

Emma Navin
Vice Principal
Years 3 and 4

Latest House Points Tally!

The competition is really hotting up now! House Points are coming in thick and fast and our House Captains are now having to count them up every two weeks instead of every month - well done everybody!

The latest totals are as follows:

	Latest Count	Total So Far
Unicorns	174	410
Phoenix	160	381
Lions	115	317
Dragons	118	302

Birthday Book

If your child has a birthday in January or February and you would like them to receive a book on their special day, then please send \$100 in an envelope marked with your child's name and class, how old they will be and who the book will be from. **They will be the first to borrow the book and then we'd appreciate it if they would return it to the library after one month.** The book will be hand delivered to your child in their classroom on their special day and will have a label inside with a birthday message from the family. Once the book is returned, the label will remain inside for everyone to see. This is a great way to help us add new books to our collection.

Thank you
Susan Mifsud and Nina Sehgal

Winter Wonderland Christmas Carol Concert Monday 5th December 6:00pm for a 6:30pm start in the school playground.

Please come and join us on Monday to sing some Christmas carols, led by our choirs and also enjoy a glass or two of mulled wine and some mince pies.

We have had a fabulous response from you for our hamper collection and we will be drawing a number of lucky tickets on the night for winners of these lovely baskets full of Christmas goodies.

It promises to be a lovely family Kennedy evening.

The Year 6 students from Kennedy Senior Choir performed at the Swire "White Xmas" Street Fair at Taikoo Place on Thursday night. The young singers wowed the audience with their energetic performance of Christmas classics such as "Jingle Bells", "Dear Santa" and "Jingle Bell Rock", as well as beautifully sung reflective pieces such as "So Many Stars". Well done to all involved!

KENNEDY SCHOOL BOOK WEEK

I am delighted to announce that Kennedy School will be staging a Book Week next term. It will run from January 9 – 13 although some events will take place in the weeks immediately before and after. Amongst the highlights will be a visit by local author Sarah Brennan who will spend time with every year group reading and discussing her new book and talking about the writing process. We are also very fortunate to have the Faust Theatre Group coming in, performing a brilliantly funny poetry-based play to every year group called 'Splat'. Other events include a Teacher vs Student book quiz, teacher story readings at lunchtimes, comic strip and book mark making activities, 'pyjama party bedtime stories' in the library and a range of exciting Chinese story events too. The week will culminate in Book Character Day on Friday (13th January) when children and teachers will all come to school dressed as a book character. There will be many other classroom based events too. In addition, there will be competitions that the children can participate in if they wish, as below.

Reading in Extreme Circumstances

Children have a photo taken of themselves reading in an unusual place – under the bed, on top of the Macau Tower, sitting on playground apparatus, etc. E mail the photo to Mr Moore (include your name and class number) or bring a printed copy to school.

Book Trailers

Make a movie of your favourite story or a short scene from your favourite story. You, your friends and family can star in it if you wish. The movie should be no more than 4 mins long and should be sent to Mr Moore as an 'mp4' file (using an iPad to make the movie will be fine).

The deadline for these two competitions is Friday 13th January (the final day of Book Week). Good luck!

Jeff Moore
English Coordinator

The Hong Kong Young Writers Awards 2017

The New Tales of Old Shanghai.

Once again Kennedy School will be participating in the Hong Kong Young Writers Awards Competition and aiming to continue its proud tradition of success in this, the 8th edition of the event. The competition is open to all Kennedy students who wish to take part.

The theme for this year is 'New Tales of Old Shanghai'. Children may choose to write a poem, a story or a non-fiction piece based on this theme. Full details can be found at the HKYWA website: www.hkywa.com which gives writers' workshop advice on the theme itself, as well as detailed information about how written submissions should be prepared. Children can also come and have a chat with me if they wish to know more about the competition.

Children may also create a piece of artwork on the same theme. Again, details can found on the website.

All writing entered for the competition needs to be prepared in electronic form and forwarded to Mr Moore (jmoore@kennedy.edu.hk) by no later than January 3rd, 2017. NB the competition website gives a later submission date than this - this is for schools' reference only. Children should ensure that their full name and class are indicated in the filename.

Children shortlisted for one of the main prizes will be invited to the Hong Kong University of Science and Technology for the awards ceremony later in the year.

Good Luck!

Jeff Moore
English Coordinator

Last year Gayathri Eyunni from Kennedy School made the finals.

Staff Run Activities

The Gateway is NOW OPEN (for those clubs that are via Gateway registration). We will be sending out Google forms shortly for some more sports clubs. Watch this space – just finalising the venues.

To sign up via the Gateway login to your Gateway account

1) On the Gateway homepage you will see your child(ren) at the top left of the screen. **Please click on the photo of your child**

2) Several new buttons should appear – one of which is "Activities". Please click on this and the activities sign-up page will appear.

The closing date for registrations will be 3rd Jan at 12noon.

The fee will be automatically deducted from your child's ePayment account **after 20 January**. We will not send an email to confirm your enrolment. Please login to your Gateway account to check.

Outside Agencies Activities – provided by external agencies who hire the school's facilities. Please contact those agencies directly to sign up.

ESF Educational Services Ltd. offer a broad and diverse range of out of school sports and language programmes for children, making use of the facilities at ESF schools. Please contact ESF directly. www.esf.org.hk

	Girls Football	Finished for Term 1
FRIDAY	Boys Football (Yr 5 & 6)	Finished for Term 1
	Chinese Music Ensemble	Finished for Term 1

YEAR 6 STUDENT LEADERS VISIT JFK SCHOOL

There was great excitement at JFK School this week when a group of our Y6 student leaders visited the school to share some science experiments with the students there. They did a great job of demonstrating and explaining some of the scientific experiments that they had done during their last unit. The children at JFK thoroughly enjoyed the afternoon as it was quite different to the curriculum they usually follow. Well done Year 6!

'Green' Christmas Cards and Gifts

It's always fun to give and receive at Christmas and there are many worthy causes benefiting from the sale of cards and gifts. However, if you are looking for a waste-free alternative, there are many charitable 'ecards' and 'egifts' available.

Christmas Cards

A great way to reuse old Christmas cards is to make gift tags and Christmas decorations.

FROM THE PE DEPARTMENT

PE Uniform

A reminder with the cooler weather here if you wear your tracksuit to school you need to ensure you have your full PE kit underneath.

Kennedy School Games Programme

The Kennedy Games Programmes are well underway now. Students from Year 1 through to Year 3 will rotate through a series generic sports units involving throwing, catching, kicking, striking, fielding and basic games. The students from Year 4 through to Year 6 participate in four rotations of a progressive sports specific programme which are supported by coaches from Valley Hockey and HKCC Rugby. In addition, this year we are delighted to welcome the HKCC coaches who will be supporting the Y4 Games Programme.

Please ensure your child is wearing their P.E. Kit for Games as well as for P.E. lessons.

Year 4:

Dragons	Lions	Phoenix	Unicorns
Cricket	Netball	Rugby	Hockey

Year 5:

Dragons	Lions	Phoenix	Unicorns
Athletics	Netball	Rugby	Hockey

Year 6:

Dragons	Lions	Phoenix	Unicorns
Athletics	Netball	Rugby	Hockey

Additionally, for children in Year 4 to 6, please ensure your child has the correct kit for their Unit:

Hockey - in accordance with the HKHA regulations all children participating in hockey **MUST** wear shin pads and a mouth guard. Long socks to hold shin pads are also recommended. All of these items are available from the PTA Office.

Rugby - although there is no mandate from the HKRFU we strongly recommend the use of mouthguards when playing rugby.

Mouthguards and shin pads are available for purchase from the PTA Office.

ESF Tournament

A big well done to our two teams who represented the school at the ESF Tournament on Saturday 26th November. Both teams were extremely competitive, finishing as runners up in their respective groups to progress to the semi finals of the Plate Competition. Unfortunately both of these matches went against us but it was an invaluable experience for the boys and preparation for the upcoming DBIS Tournament on Tuesday.

DBIS Football Tournament

A fantastic day for Kennedy School. Three teams in three competitions and no games lost. All the boys were terrific in terms of how they played and how they conducted themselves throughout the day.

Congratulations to the B team for winning the B Tournament and the C team for winning the C Tournament.

My thanks to Mr. Dray and Mr. Richardson for their time not only supporting the teams at the tournaments but also the many afternoons spent preparing the teams.

Kennedy Sports Upcycling Progress

This year the Kennedy Sports Upcycling Programme has gone to a new level.

Thanks to the continued support of the school community we have collected over 200 pairs of shoes for a delivery to Laos in time for Christmas.

DHL are going to ship our collection to Laos for free and Santa Fe Relocation Services have donated all the packing materials. My thanks to the parents providing support behind the scenes to make this happen and to those parents who have donated generously to ensure the additional shipping costs have been covered.

Many thanks to Escapade Sports who have donated all of their 2014 stock of Super Rugby Balls, an amazing 400 balls, and to Streamline Sports who have also donated a dozen brand new rugby balls.

Not only is the school supporting the grassroots rugby development programme in Laos but this year we have also donated to a similar scheme for the development of cricket in Nepal.

Coaches from HKCC have accepted our donation of upcycled cricket equipment and will ensure it reaches those children who require it most.

Before you throw out any old trainers or football boots please consider donating them to the Laos Rugby Federation courtesy of the school. Please place any unwanted trainers or boots into the blue bin inside the school office. We will also accept cricket bats, wickets and balls.

My thanks to Steve Jones from the HKRFU for his time spent helping me pack all of your donations in preparation for their shipment to Laos. The Sports Ambassadors did a sterling job of helping us complete the packing during their lunch break. The photo to the right is what the 400 rugby balls donated by Escapade Sports looks like when it is ready for shipping.

The 200 shoes will all be distributed amongst the Laotian villages when children are currently playing rugby barefoot. The [Pass it Back](#) initiative transcends sport in that it is preparing older children to become leaders and as such to be more active within their communities.

Before you throw out any old trainers or football boots please consider donating them to the Laos Rugby Federation courtesy of the school. Please place any unwanted trainers or boots into the blue bin inside the school office. We will also accept cricket bats, wickets and balls.

Please click [HERE](#) and [HERE](#) to discover about the long term impact your donations are having to the development of rugby in Laos. I will provide an update with regards to the cricket project in Nepal as soon as I receive it.

Wall of Fame

Many of our students are achieving sporting success both at school with our teams and out of school either individually or as part of a club. The Kennedy School Sports Wall of Fame on our VLE is a forum where children can share their sporting achievements. Please encourage your child to celebrate their sporting passions and successes with the rest of the Kennedy Community through this format.

[Kennedy School Wall of Fame](#)

Click on "add a new discussion topic" to start a new thread about your event/sport. Then enter details of your event or sporting achievement along with a photo of you in action, if you have one.

Please celebrate the successes of other children at Kennedy by reading their threads and writing positive comments for them.

Tim Luck

Head of PE and Swimming
