Dear Parents and Caregivers,

It has been another busy week at Kennedy. Whilst we have been enjoying the beautiful weather here in Hong Kong, 40 of our Year 6 students and 6 of our teachers have been having equally lovely weather on their trip to Beijing. Check out the VLE and our Facebook page for all the photos from this amazing trip.

Green Week

This week has been our annual Green Week and there has been lots of excitement about all the activities and competitions that the children have been involved in. Thank you to all the parents and staff that have supported this week and special thanks to Mrs Davies for all her hard work and organisation. See below for more details.

Maths visiting author

We often have visiting authors in school who share their storybooks with us; and this week we welcomed David Schwartz who shared his maths books with us and made Maths come alive. Many thanks to Ms Mifsud and Mr Sweet for organising this event. More details can be found in the Library section of this newsletter.

Year 6 visit to West Island School

Earlier this week, 20 children from Year 6 had the opportunity to visit WIS to see the Year 9 students present their Personal Projects. It was lovely to see the variety of topics chosen by the students and to hear all the information they had researched about their area of interest. Our Kennedy students were very impressed and asked meaningful and searching questions.

Hong Kong Rugby Sevens dress casual day

Many of our children are very excited about playing rugby at the upcoming Rugby Sevens. To celebrate this huge HK sporting event and raise some money for the Laos Rugby Federation; we would like to invite everyone to dress in rugby related outfits on Friday 21st April and bring in a donation for this very worthwhile cause. If you are going to the Rugby Sevens, we hope you have a fabulous time!

We hope that you all have a lovely holiday and enjoy spending time with family and friends. We look forward to seeing everyone refreshed and raring to go on Tuesday 18th April. Wishing all those in our community that celebrate it, a very Happy Easter!

ON-TIME COLLECTION & SUPERVISION AFTER SCHOOL

We have noticed recently that there are increasing numbers of children who are being left unsupervised in the playground after school has finished. A reminder that school finishes at 3pm so unless your child is attending an after school activity run by a member of KS staff, they become your responsibility and must leave the school premises immediately. It is school policy that children who don't take the school bus, must be collected on time by a responsible adult. Please note that: If a child attends an after school club which has a late start, an adult must supervise the child until the club begins. No child should be left unattended whilst a sibling attends an after school club. Thank you for your cooperation.

What a busy week we've had! During Kennedy Earth Hour we saved 49% of our electricity which is equivalent to 33KG of CO₂. According to the latest statistics from WWF, if everyone in the world lived a Hong Kong lifestyle, we would need 3.9 Earths; so it was great to work together to help drive climate change.

Our SEPAs have been particularly busy this month preparing and judging our competitions and one of their rewards was to judge the Masarang Palm Sugar Bake-Off. It was deliciously good fun and we raised over \$3500 for Masarang HK. We received a variety of imaginative sock creations on Tuesday - I didn't realise there would be so many ways to use odd socks! Wheatgrass Wednesday blanketed our school with green ideas and our SEPAs were delighted to see so many entries. All money raised from our wheatgrass sales will go towards maintaining our green growing areas. As you can imagine, it was a very hard decision to choose our winners. All of the children who entered our competitions were treated to a movie and some Fairtrade

chocolate in the hall during Thursday lunch. The winners from each competition in each yearband received a prize during our Green Week Trashion Assembly.

Plastic Free Seas spoke with many of our classes about the problem of disposable plastics. A visit from Wasteful Wanda, the Plastic Bag monster showed us we waste an average of 500 plastic bags per person, per year. Dana showed us some easy alternatives to disposable plastics, from refusing straws to bringing our own reusable bottles and bags. The good news is, all of our plastic collected during Green week will be recycled into fleece material. Please reduce your use of disposable plastic, but what you do use, remember to recycle. Well done to everyone who contributed to our 7th Annual Kennedy Green Week. All money collected from our Dress 'ECO' day will go towards Plastic Free Seas to continue their great work.

EXPRESS YOURSELF! CALL FOR COMMUNITY EXPERTS FOR THE YEAR 6 EXHIBITION

Once again this year the Year 6 PYP Exhibition will fall within the transdisciplinary theme of How we express ourselves. Students will have the opportunity to inquire into a wide array of art forms and types of expression. They will explore in-depth a particular art form that resonates with them and build their exhibition around that. The exhibition process culminates with the exhibition itself on the evening of May 25th. We are putting a call out to our parent and wider community in hopes of inspiring you to share your talents, passions and interests with our students. Last year we had several parents volunteer to work with small groups of students throughout the

exhibition process.

Exhibition will begin in full swing after Easter but we wanted to start early with community support. If you think you might be interested please click the link here

<https://goo.gl/forms/VPplylmoXHBH6ed2> and fill in the form.

Any and all volunteers are welcomed and appreciated.

Thank you in advance for your support. If you have any questions, please don't hesitate to contact me at jblue@kennedy.edu.hk

HOW WE EXPRESS OURSELVES

On Wednesday we enjoyed a fabulous assembly performed by 2A. Inspired by the rhyming books they studied in their How We Express Ourselves unit; the children in 2A wowed us with an assembly linked to Green Week, based on the book 'Michael Recycle'. As well as sharing tips on how to be green; they spoke with beautiful clear voices, learnt so many words and then sang with huge energy and enthusiasm. Thanks to Ms Allenby, Mrs Jeffery and Mrs GG for their work in preparing and supporting the children. It was lovely to see so many parents and I know they enjoyed it as much as we did. Very well done 2A - you did a great job!

3S CLASS ASSEMBLY

What better way to reinforce the important messages for Green Week than through an assembly. 3S did a superb job of delivering some key messages to Years 3 and 4 and their parents. The assembly started with Ruby, Thea, Jennifer and Meagan taking it in turns to play the piano! Well done girls.

Through dance and music, 3S then showed us life in the ocean through the eyes of a turtle and how confusing it is to distinguish a jellyfish from plastic. They gave us some startling facts about plastic and showed a video that highlighted the devastating impact of sea life eating plastic waste. 3S told us the action they have pledged to take and encouraged their parents to do the same; such as use reusable cutlery and say no to straws.

3S also reinforced the importance message of Reuse, Reduce, Recycle and Refuse. The assembly ended with a rap about saving the world.

3S demonstrated such confidence and commitment to the cause. Well done 3S - a wonderful assembly. Thank you to Mrs Stearn, Mrs Engineer and Ms Barrie and to all parents who attended. I do hope you honour your pledge and support us in our commitment by making one small change towards saving our planet. As 3S said, "one small change can make a big difference!" **EMMA NAVIN VICE PRINCIPAL**

We found out in Thursday's assembly that 5J have the X Factor! The children shared their learning from the recent How We Express Ourselves unit in the form of a talent show. We were treated to a variety of acts which celebrated the creativity in the class; including dance, language, sport, art, narrative writing, technology, singing and acting. The assembly was lots of fun and was vibrant and energetic. It certainly provided a 'feel good' start to our day! Thanks to Mrs Scott and Mrs GG for their help in preparing the children and to the many parents who came to watch. You did a great job 5J - well done!

ESF 50TH ANNIVERSARY CELEBRATIONS

As part of the ESF 50th anniversary celebrations, the 72-strong Kennedy Senior Choir joined with singers from other ESF schools to form a massed choir of over 700 students! They wowed the Queen Elizabeth Stadium audience with songs ranging from the traditional Zulu "Sin Je Je", to specially commissioned "Time to Shine". A spectacular event, which we're sure, will form a strong memory for all involved! A huge thanks to Kennedy students, parents and teachers who supported this event. A special thank you to Mrs GG and Ms. Barrie.

MESSAGE FROM THE LIBRARY

AUTHOR VISIT DAVID SCHWARTZ

This week our children at Kennedy School were wowed by some really big numbers (and a very big bag of popcorn), when David Schwartz visited our school. David is a maths and science author from the United States and has written more than thirty non-fiction books. The children were told about Quarks and Googol and how to count to a million. By the end of the talk they were all buzzing with excitement. It really was a fun way to learn about maths.

BIRTHDAY BOOK

If your child has a birthday in April, May, June and you would like them to receive a book on their special day, please send \$100 in an envelope marked with your child's name and class, how old they will be and who the book will be from. They will be the first to borrow the book and then we'd appreciate it if they would return it to the library after one month. The book will be hand delivered to your child in their classroom on their special day and will have a label inside with a birthday message from the family. Once the book is returned, the label will remain inside for everyone to see. This is a great way to help us add new books to our collection.

ISF NETBALL FAST 5S FRIENDLY NETBALL TOURNAMENT

On Tuesday 28th March, 16 Netball Development Club girls walked over to ISF in Cyberport for a friendly Fast Fives Netball Tournament. Our two teams played in a round robin tournament with ISF, NAIS and CDNIS in fast paced games of modified netball. For many girls, this was their first outing playing against other schools. The opponents were tall and the netball posts high; but both teams played to the best of their ability while having a lot of fun! Kennedy 1 advanced into the plate semi-final, winning that match, only to concede to ISF in the plate final. Well done to all the players and thank you to the parents who came along to support and assist.

KELLETT GIRLS TOUCH RUGBY TOURNAMENT

This was the first year Kennedy entered a girls team in the Kellett All Girls Touch Rugby Tournament. The girls had a tough start with a loss to pool champions AISHK but recovered strongly in their following games, winning each match by 3 tries and placing 2nd in their pool. They went on to face SJS in the Cup Semi-Final which remained tied at 0-0, until sudden death drop off with Kennedy scoring the golden try. This took them on to face a tough Kellett Kowloon in a nail biting Cup Final. With another 0-0 draw at full time the match went to sudden death drop off with Kellett scoring the golden try. Well done Kennedy girls!

My thanks to Miss. Adcock for her time training and running the team at the tournament.

Training is aimed at the fastest swimmers in each year group not currently affiliated with a competitive swim club, for example Harry Wright

SAFETY IN PE AND GAMES LESSONS

Gentle safety reminders:

In accordance with the Hong Kong Education Bureau Health and Safety Regulations please ensure children only wear only stud earrings and remove all other jewellery and watches for PE and Games lessons as well as after school sports clubs. To ensure these precious items are not lost or left behind when removed at school, the best idea is to leave these items at home on these days as the school cannot bear any responsibility for their safekeeping.

Please also ensure that children with longer hair that can fall in their face have it tied up in a ponytail or braid for safety. We currently have many boys with long floppy hair which is obstructing their ability to see. Please ensure that these children use a headband or footballers topknot to hold their hair away from their face.

Many thanks for your cooperation.

KENNEDY SPORTS UPCYCLING
