Dear Parents and Caregivers,

Welcome back to term 3, I trust that everyone enjoyed their Easter holiday. It is a busy term ahead with many exciting events to look forward to including our Year 6 exhibition and Graduation. I had the pleasure to accompany 40 of our Year 6 students on the ESF Beijing trip the week before Easter. The weather was fabulous and the children experienced a rich Chinese language and cultural experience. The children were brilliantly behaved and a credit to our school. Over the Easter break we upgraded our phone system so please ring the new Kennedy number: 2579 5600.

More Babies

Three baby girls arrived over the Easter break. Congratulations to Mrs Norena McCready and her husband Dominic on the birth of Seren Jia Rae Browne, born on her due date 06/04/17, 3.94kg/8lb 10oz. Mrs Sarah Westmacott and her husband Andy welcomed Elle born 11/04/17 weighing 3.49kg/ 7.7lb, into their family. Finally, our part time dance teacher Kristen Ho and her husband, welcomed baby April Rory Gunn Komoru weighing 3.62kg.

Enjoy the weekend!

EXPRESS YOURSELF! CALL FOR COMMUNITY EXPERTS FOR THE YEAR 6 EXHIBITION

Once again this year the Year 6 PYP Exhibition will fall within the transdisciplinary theme of How we express ourselves. Students will have the opportunity to inquire into a wide array of art forms and types of expression. They will explore in-depth a particular art form that resonates with them and build their exhibition around that. The exhibition process culminates with the exhibition itself on the evening of May 25th. We are putting a call out to our parent and wider community in hopes of inspiring you to share your talents, passions and interests with our students. Last year we had several parents volunteer to work with small groups of students throughout the

exhibition process.

Exhibition will begin in full swing after Easter but we wanted to start early with community support. If you think you might be interested please click the link here

<https://goo.gl/forms/VPpIyImoXHBHB6ed2> and fill in the form.

Any and all volunteers are welcomed and appreciated.

Thank you in advance for your support. If you have any questions, please don't hesitate to contact me at jblue@kennedy.edu.hk

READING WORKSHOP FOR PARENTS

Please come and join us on Thursday, May 4th from 6-7pm for a presentation and workshop about reading at Kennedy School.

A number of key areas will be addressed, including:

- what reading looks like across the school
- strategies that we use in the classroom
- how we can inspire and appeal to our young readers
- why reading is so important to the lives of both children and adults
- how we know where children are in their reading development and the assessment tools we use

ways in which you can support at home.

The workshop will be interactive and give you the opportunity to engage with approaches for learning and teaching that your children use on a daily basis. This session is open to parents of children from all year groups.

Please express your interest in attending by signing up on the Google form link below: <https://goo.gl/forms/FjRGyJdCQYF09CH03>

6S CLASS ASSEMBLY

On Thursday, we were treated to a class assembly which had been planned, written and choreographed completely by the children in the class.

We were transported 100 years into the future and given a glimpse of what life and learning might look like in 2117. Using Doctor Who's TARDIS, 6S then visited each year of their time at Kennedy School; highlighting the songs and dances from each year, as well as the newsworthy events and examples of their own learning. They shared music, dance and even live science experiments!

6S finished their entertaining and informative assembly by performing a Kennedy school rap that they had composed and choreographed themselves. I think we might have found our new school song!

Thank you to Mr Sweet, Mrs Lacy and Mrs GG for their support in helping the children to prepare, and all the parents for joining us for 30 minutes of entertainment. Well done 6S - we really enjoyed your assembly.

All children are required to attend these essential life skill lessons. Those children not attending sessions must provide a valid doctor's note.

Every class will receive seven 30 minute sessions during the Swimming Unit. In case of inclement weather, the swimming teachers will go to the classroom or octagonal playground and teach water safety to the younger students along with simple, practical water safety techniques to the older children.

The price of swimming is \$80 per child per session. This price is excellent value and covers the cost of the swimming teachers and the hire of the pool.

To be prepared for swimming every child requires:
Kennedy School swimming kit - swimming costume or shorts/jammers.

Swimming cap for ALL children with hair below the tops of their ears.

Large white t-shirt or swim robe

Waterproof shoes, crocs or sandals for walking to and from the pool.

Large towel, preferably a beach towel.

A strong waterproof bag.

Swimming kit, swim caps and swimming bags are all available from the PTA Office.

A rash vest is highly recommended for sun protection but is not compulsory. Swimming goggles are also highly recommended. Please ensure goggles are measured to fit your child prior to their lesson to avoid your child losing pool time.

The schedule for the first week is below. Please ensure your child brings the correct kit on their swimming day:
