

Year 6 Exhibition: Cinderella

Dear Parents and Caregivers,

What a brilliant week we have had at Kennedy School with a showcase of fabulous events and talent. Our Year 5 enterprise Market Day was a huge success raising \$19800 for our four house charities and last night the Year 6 Exhibition was a smorgasbord of creativity, innovation and talent! Please read Mrs Sheward's excerpt below.

Enjoy the weekend and a reminder that Monday is a school closure day and Tuesday is a public holiday, so school will be reopen on Wednesday morning.

JOHN BREWSTER, PRINCIPAL

"This week the Year 6 children have enjoyed sharing their exhibition with us. The exhibition is the culmination of a child's primary school learning. It is an in-depth personal inquiry that stems from personal interests and passions. Our visitors included parents and children from Kennedy as well as WIS students and representatives from ESF.

At Kennedy School, our exhibition is an inquiry into How we Express Ourselves, with a focus on creativity and the arts. Our Year 6 learners chose what they wanted to explore and how they chose to explore it. They chose with whom to collaborate and how to support each other. They chose how to express their learning creatively through art, film, dance, model-making, photography, sculpture and beat boxing, to name but a few!

The process has taken six weeks and has been intense, demanding and exciting for the children; I know that they will also agree that has been both enjoyable and rewarding. The end result was a fantastic showcase of creativity which amazed and impressed all our visitors. It's hard to believe they are only 10 years old and they should be extremely proud of themselves and all their hard work. A brilliant job Year 6 - well done!"

Typhoon Signal No. 1

All schools will operate as normal

⌊3

Typhoon Signal no. 3

Primary and Secondary schools will operate as normal unless advised otherwise.

Typhoon Signal No. 8 and above

If the signal is raised **before school starts** all schools will be closed. Please listen to television and radio announcements before school. Announcements are usually made from 6am onwards. School will remain closed for children all day.

If the signal is raised **while children are at school**, please make arrangements to collect your child/children if it is safe to do so. Please check your email and SMS messages regularly. School buses will not operate, except the bus to the ferry piers of the outlying islands. (Where parents have given consent children will travel on the bus to the ferry piers accompanied by staff living on the islands.)

Amber Rainstorm Warning

All schools will operate as normal. Please listen to radio and TV announcements in case the weather deteriorates.

Red or Black Rainstorm Warning

1. **Before the start of school** - All schools will close all day.
2. **After students have set off for school but before the commencement of schools** – If students arrive at school they will be supervised until it is safe for them to be collected.
3. **When classes are in sessions** – Schools continue until the end of normal school hours and students are retained until conditions are safe for them to return home. School buses will be cancelled if the rainstorm warning is in effect at 2:00 pm.

MESSAGE FROM THE NURSE

The Education Bureau and the CHP are asking the community to stay vigilant against the spread of Influenza and other Respiratory Infections.

The government has seen an increase in outbreaks of Influenza within the past few weeks, and are therefore recommending that parents check their child's temperature daily before sending him/her to school.

Influenza A & B, also called the flu, is caused by a virus. Flu symptoms usually begin quickly, they will appear 1-7 days after having been in contact with the virus. Some of the symptoms like fever will normally begin to go away after 2-4 days, however a person with Influenza is often contagious from 1 day before symptoms start to 5-7 days after.

Symptoms may include: Fever above 38,8C/102F, body aches, dizziness, headache, lack of energy, nausea and vomiting, runny nose, sore throat and coughing.

Influenza mainly spreads by contact with nose or throat discharges, saliva, or after touching contaminated objects.

There is no specific treatment for Influenza and antibiotics will normally not have any effect on the flu virus. The infected person should drink plenty of water and take adequate rest, and may receive symptomatic treatment to reduce fever and pain. In most cases, a child's body, with the help of the immune system, will get rid of the virus over time.

To avoid spreading the disease to other people in the household, please make sure that the infected person covers his/her mouth when coughing or sneezing (if using a tissue, discard straight away); washes hands frequently and always after having been outside, after going to the toilet, before eating and after wiping/blowing nose, coughing and sneezing. Please encourage the infected person not to share eating utensils.

Should your child show any symptoms of sickness, please keep your child at home and consult your doctor if needed. Any child with a fever is required to stay home an additional 48 hours after the temperature has come down to normal (below 37.5C/99.5F) without the use of fever reducing medication. Viral infections are very contagious; sending your child back to school before completely recovered will increase the risk of passing the virus on to others. Should you have any questions, please do not hesitate to contact the Kennedy School Health Professionals at nurse@kennedy.edu.hk or phone 2579 5613.

NURSE LABELED CLOTHES SPORTS SHORTS AND HATS

Double check your child's school uniforms including sports shorts and hats at home. We have a lot of 'Nurse' uniforms missing and we are needing them returned for use for the future. The clothes, sports shorts and hats will be labelled 'Nurse' on the inside tab.

MESSAGE FROM THE LIBRARY

BIRTHDAY BOOK

If your child has a birthday in June and you would like them to receive a book on their special day, then please send \$100 in an envelope marked with your child's name and class, their date of birth and how old they will be and who the book will be from. **They will be the first to borrow the book and then we'd appreciate it if they would return it to the library after one month.** The book will be hand delivered to your child in their classroom on their special day and will have a label inside with a birthday message from the family. Once the book is returned, the label will remain inside for everyone to see. This is a great way to help us add new books to our collection.

This week 2R taught us all about the Scientific Method in their class assembly. I have never seen a more colourful group of young scientists gathered in one spot! With their funky wigs and starched lab coats, the scientists in 2R wowed us with their knowledge of the Scientific Method. Through song, story and movements they taught us what it means to identify a problem, come up with a hypothesis, test the hypothesis and come to a conclusion. We all learned a thing or two from their informative assembly. Every student had the chance to speak and sing throughout the assembly. A huge thank you and a job well done to the students in 2R and Mrs. Ryan and Mrs. Gandesha for a well-executed and educational assembly! Thank you also to the parents and friend of 2R who came out to support the budding scientists! **JOSH BLUE VICE PRINCIPAL**

2R PROVES THEIR HYPOTHESIS!

4M CLASS ASSEMBLY

Congratulations to 4M for a wonderful assembly this week. The focus was 'Migration' the theme for their last unit. 4M unpacked the central idea exploring what challenges, risks and opportunities mean in relation to migration and demonstrated their deep understanding of this unit. They retold Anh Do's inspirational story about his family's incredible escape from war-torn Vietnam and his childhood in Australia entitled 'Little Refugee'. 4M retold the story with such expression and empathy. 4M sang a song called 'Never Give Up'. Thank you to all those parents who attended - I hope you enjoyed it as much as we did. Well done to all of 4M and Ms Cohen!

5D CLASS ASSEMBLY

Following their Year 5 Market Day earlier this week, 5D totally entertained us on Thursday with their class assembly which wrapped up their current Enterprise unit. Through song, dance, role play and drama they showed us what each of the chosen House charities stand for and where the money will go. Our four House charities: Half the Sky, Care Australia, Christian Action and Feeding Hong Kong will all benefit from \$4590 each raised by Year 5. Lots of the children donated their seed money, which in many cases was their pocket money, to the profits. Wow - what a fantastic effort Year 5! 5D's fun and factual assembly was a great example of creativity and action and we loved your ukelele version of 'You're Welcome' from Moana which had been cleverly re-worded to suit your unit. It was lovely to welcome so many parents - we are sure you enjoyed it as much as we did. Well done and thank you to 5D, Mr Dray and Mrs GG. What a fabulous way to start the day!

THE YEAR 5 MARKET DAY

GRAND TOTAL OF \$19,800!

The Year 5s 'Enterprise' unit came to a climax on Monday with their very own Market Day. The rest of the Kennedy School community were invited to shop for a wonderful array of handmade, personalised products. The excited shoppers were given a choice of colourful arts & craft, stress balls, key chains, bookmarks, sweet treats, comics and much, much more! As the weather was temperamental the market was moved undercover to the school hall. The indoor acoustics helped generate a real buzz and energy to the event.

Following the Market Day event the children then spent time calculating their profits and reflecting on their experiences over the 6 week process. We are pleased to announce that the Year 5s raised a grand total of \$19,800!

All of the money raised will be donated to our four school house charities: Feeding HK, Half the Sky, Christian Action & Care Australia.

A BIG thank you to everyone who attended the Market Day, the Year 5 parents for their support throughout the unit and congratulations to the Year 5 students for all their efforts and achievements throughout the process.

SCHOOL TEAM PHOTOS

The School Team photos are scheduled for Thursday 1st June. All the children who have represented the school this year at a competitive event are included. It is imperative that that your child brings their purple school kit on this day as the school does not possess any spares and children will not be permitted to call home to ask someone to bring their kit in for them.

A list of all the children involved in the various teams is contained below:

KENNEDY SCHOOL WALL OF FAME ON FACEBOOK

Please feel free to share your child's sporting achievements, whether with the school or an external club, on the ESF Kennedy School Facebook page.

Simply add @ESF Kennedy School and #kennedyschoolwalloffame to your post and it will be included in the school stream.

PLEASE ENSURE YOU HAVE THE PARENTAL PERMISSION OF EACH CHILD PICTURED

The Wall of Fame on the VLE will continue as a forum to the children to share their achievements with their peers.

KENNEDY UPCYCLING - BOOTS AND SHOES FOR THE LAOS RUGBY FEDERATION

Before you throw out any old trainers or football boots please consider donating them to the Laos Rugby Federation courtesy of the school. Please place any unwanted trainers or boots into the blue bin inside the school office.

Thus far the school has collected over 600 pairs of shoes for the Laos children participating in the Pass It Back scheme. In total we have donated 1,229 pairs of shoes to various charities across Asia. A fantastic achievement.

The Laos Rugby Federation forwarded me this video of our previous donation of boots in action at the grassroots level. Towards the end of [THIS VIDEO](#) you will see children playing barefoot and the difference our work will make to them.

The Passitback website also has a good overview of the programme which is more than just about simply providing rugby into the Laotian community.

A MESSAGE FROM OUR SWIMMING PROVIDER AQUADKIDZ

Another great week of swimming at Kennedy despite the gloomy weather. The pool temperature has warmed up so all we need now is some sunshine!

The Year 5 and 6's are continuing to fine tune their starts and turns for the DC Swim Meets, whilst the stroke emphasis has been on breaststroke and butterfly this week. The Year 1's continue to amaze us with their enthusiasm, bravery and 'can do' attitude.

The Year 2 - 4's have been working on the core skills for freestyle and backstroke this week, with the more advanced groups practising bi lateral breathing, an important but sometimes tricky skill to master.

Aquakidz believes passionately that **SWIMMING IS A LIFE SKILL**. Please continue to support and encourage your child to attend all Kennedy School swimming lessons to become **SAFE, COMPETENT SWIMMERS**.

AQUAKIDZ SWIMMERS OF THE WEEK

1A Jack Cummings - Showed excellent backstroke technique for class demonstration and great listening skills.

1B Zoe Brooks - Demonstrated super straight body position in backstroke and a good, smooth arm action.

5J Akshi Bansal - Has worked very hard on her sprint training and can now perform a good, streamlined racing dive.

1S Molly Thompson - Great listening skills! Tried her best to keep a good head position when learning freestyle.

4J Tian Tyrrell - A very enthusiastic swimmer who tries his best to take on board all instructions and improve his skill set.

2P John Chow - Achieved excellent breath control when learning 'swordfish' arms in freestyle.

5A Neil Beed - A super effort in every lesson has resulted in a great improvement in his freestyle.

1A Sveva Malta - Despite a minor elbow injury, she has tried her best in her swimming lessons.

2C Charlotte Kent - Has worked hard to achieve a much improved

freestyle leg kick.

5K Lauren Pimenta - For excellent listening when learning her breast stroke leg kick and making great advances in her class.

1M Haydee Kwok - Super effort when working to improve her front glide body position.

3W - Selina Ma - For being brave and trying her best to submerge her face in the water.

GREEN NEWS

NUDE LUNCHES

Here are some fabulous nude lunches we saw in 3S this week.

If you've been to the beach in Hong Kong, I'm sure you've noticed lots of litter in our seas. On average we generate 1.36kg (3lbs) of domestic waste per person, per day in Hong Kong. Tokyo, on the other hand, only generates 0.77kg. With H.K. landfills estimated to be full by 2020, our first course of action is to REDUCE the amount of waste we generate. NUDE lunches is one of the great solutions. Buy in bulk, make or even grow your own food. You'll save money as well as the environment!

GARDEN SALE

Kennedy children have not only been growing food to feed themselves, but have also been very busy growing herbs and vegetables to sell at our garden sale on Wednesday 7th June from 2:30-3:30pm. Please come along to enjoy our local produce.

HONG KONG'S COASTAL POLLUTION

Hong Kong's Coastal Pollution

Paul Niel who has completed the Seven Summits together with Esther Roling are going to map and document pollution levels along the Hong Kong Island coastline and document the contrasting images of Hong Kong Island's urban and natural landscapes. KENNEDY 2016-2017 – YEARBOOK ORDER FORM

Kennedy School is very proud to present a fabulous moment of the experiences and memories our children have made throughout 2016 – 2017. This Year Book will be full of children’s work, entertaining photographs, pictures of school wide events and students amazing achievements. Our aim is to feature all children within the dazzling pages we are designing.

The Yearbook will be available on a pre-ordered basis for HK\$ 300 per book.

In addition, if you or your company would like to make a generous donation towards the Yearbook, we will acknowledge and recognize your contribution by placing your name in the Yearbook as well.

To ensure your family receives their pre-ordered copies in June, please complete the form below and return it to the class teacher along with the cheque payment.
