

2018/19 Kennedy School Bus Routes

Please note: Pick up times are approximate - students should be at their stop at least 5 minutes prior to scheduled departure and drop-off times, as traffic conditions may not allow a bus to wait if it is slightly early. To allow students to arrive in school on time, buses cannot wait for latecomers.

If a child has not been met at his/her drop-off point in the afternoon, he/she will be returned to school. Arrangements would then need to be made to collect the student from school. In such instances, there is a charge of HK\$100 for short route users, and HK\$150 for long route users.

It is essential to inform either your bus mother, or the PTA Office, on any occasion that your child will not travel on the afternoon school bus (for example, after school activities, leaving school early etc).

Any changes to the timetable will be notified to affected families by e-mail.

Bus 1
